NAVEEN NAGILLA

Java Full Stack Developer

+91 9618146150 | Naveen.nagilla9390@gmail.com | Hyderabad, TG | linkedin.com/in/naveen-nagilla

CAREER SUMMARY

Entry-level Java Full Stack Developer with hands-on experience in Core Java, Servlets, JDBC, and SQL. Developed dynamic web applications using MVC architecture and implemented authentication modules with session management. Strong understanding of database connectivity using Oracle and PostgreSQL. Deployed web applications on Apache Tomcat and familiar with frontend technologies including HTML, CSS, JavaScript, and React.

EXPERTISE

Core Java | Advance Java | SQL | PL-SQL | HTML | CSS | JavaScript | ReactJS | JDBC Connectivity | Servlets | Collection Framework | Stream API | OOP Concept | Exception handling | Multithreading

TECHNICAL SKILLS

Eclipse IDE | Apache Tomcat | Oracle Database | VS Code | Git & GitHub

PROJECTS

Online Product Portal

- Designed and enhanced a **web-based Online Product Portal** using **Java, Servlets, JSP, and JDBC**, following the **MVC architecture** to separate presentation, business logic, and data layers, enabling better code organization and maintainability.
- applied complete **CRUD functionality** for product management by integrating **Oracle database** through JDBC, including writing SQL queries, handling database connections, processing user inputs, and managing exceptions for reliable data operations.
- Created a **responsive and user-friendly interface** using **HTML and CSS**, along with **form validation and session management**, to allow users to browse products efficiently while enabling the admin to securely add, update, and delete product records.

Bank management System

- Developed a **Banking Management System** using **Java, JDBC, Servlets, and Oracle** to manage customer accounts, transactions, and account details.
- Performed **CRUD operations** (Create, Read, Update, Delete) for customer records, including account creation, balance updates, and transaction history.
- Established a **secure login and authentication module** for admin and users with proper session handling.
- Integrated **database connectivity** using JDBC and optimized SQL queries for efficient data retrieval and transaction processing.

Personal Portfolio Website

December 2025

- Designed and expanded a responsive portfolio website using HTML, CSS, Bootstrap and JavaScript.
- Build a fully responsive personal portfolio website using my own data. Showcased projects, skills, and education with a mobile-first approach, ensuring 100% cross-device compatibility.
- Interactive UI, smooth scrolling, project gallery, contact form.

EDUCATION

BACHELOR'S DEGREE | Electrical and Electronics | Mahatma Gandhi University College — 2021 – 2025
Board of Intermediate Education | TS Model College — 2019 – 2021
Secondary School Certificate | ZPHS Nidamanoor — 2019

CERTIFICATES & ACHIEVEMENTS

- Mastered in Core Python Programming | Besant Technologies — June-July 2025

KNOWN LANGUAGES

English, Telugu, Hindi
